

KBH SEED TENDER WIRELESS REMOTE PAIRING INSTRUCTIONS

(GRAY TELE-RADIO BOX)

- 1. Move the toggle switch to remote mode!*
- 2. Make sure your battery is hot!*
- 3. Take the 4 screws out of the gray box*
- 4. Look for the 1 button inside of the box*
- 5. Now: **PRESS** the button inside of the box and **RELEASE IT***
- 6. Now, grab the remote and hold the button down for 20 seconds and – now you should be paired.*
- 7. If the sequence worked correctly then the box should make a clicking sound every time you press the remote button.*
